

IN THE CLAIMS:

Please cancel claims 266-283.

Applicant has requested amendment to claim 213, a copy of this claim being presented herein. A marked-up version of this claim indicating insertions and deletions entitled "Version With Markings Showing Changes Made" is included as an attachment to this Amendment.

Please amend claim 213 as follows:

*K1* 162 ~~--213.~~ (Amended) The method of claim 206, wherein said step of transmitting is carried out by transmitting an executable program with the advertising data when the executable program is not stored at said apparatus for executing an executed program.--

REMARKS

In light of the amendments to the application noted above and remarks to follow, reconsideration and allowance of the above-referenced application are respectfully requested.

At paragraph 2 of the outstanding Office Action, the Examiner has requested a new oath or declaration identifying the post office address of each inventor including the zip code and noting the serial number and filing date of this application. Applicant submits that the declaration submitted with this application is a copy of the original application from the original parent application and therefore no reference to any later filed applications is necessary or proper. Applicant submits herewith a copy of a substitute declaration filed in the original parent application to include a zip code. Furthermore, Applicant submits that the sole invention of this application has his mailing address at Sony Corporation, the complete post office address being
